

# STATUTORY DECLARATION

I, GARRY VICTOR HILL  
of garryhill7@bigpond.com

*do solemnly and sincerely declare as follows:*

1. All works on this my website were written by myself. Where material is referred to, source notes and credits are included.
2. Some sections of "From the French and Indian Wars to Afghanistan: Tradition and Change in the Concept of the American Hero" were read and corrected in the period 1992 to 2008 by Dr Greg Manning, Head of the English Department at James Cook University.
3. "Using the Past to Shape the Future: W.B. Yeats and William Morris" began as my honours thesis and included corrections and suggestions by Professor Eugene Le Mire (1929-2020). Rewritings and additions have reduced this contribution.
4. All other segments, reviews, books, articles and a dramatic play on this my website are all my own work. I claim copyright over these works. To take them is theft. To claim then falsely as personal work of another is fraud.

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of the Oaths Act, 1900 (as amended)
